Case	[TBC] bottles per case
Barcode	[TBC] EAN
Trade price	[TBC] on request
Producer	Seekers Independent Spirits Co. Ltd, #684 National Road 2, Chak Angre Krom, Phnom Penh, Cambodia

In brief

Chanty is distilled from the fresh-pressed juice of the cashew fruit, grown on a single estate in Ratanakiri, Cambodia. For generations the harvest meant only the nut, and the fruit fell and rotted where it landed. Chanty pays for that fruit, presses it within hours, distils it once and rests it one year on French oak. Chanty is made at Seekers Spirit House in Phnom Penh.
